

# POWERSTATION

DESKTOP POWER SOLUTION WITH BLUETOOTH® SPEAKER

Add-on cradle also available for underdesk/wall installation (sold separately)

The stylish and simple design of the PowerStation incorporates a Bluetooth® audio system, two Australian standards power sockets and two USB charging ports.

The design of the PowerStation compliments any office decor, with the anodised aluminium extrusion rail contrasting perfectly with the moulded black plastic panels.

### FEATURES

- 2 x Australian standard power sockets.
- Separately switched 2 x USB2.0 outlets (2400mA Max).
- DIY installation, complete with 1.6m flex & plug.
- 2 Year Warranty.

Also available

- PowerStation cradle (20235/11)

### APPLICATIONS

Office desks, meeting rooms, workshops, kitchens, study areas and home office.
